

PUBLIC NOTICE

Under the Statute of the Teaching Staff Career of the Polytechnic Higher Education (Estatuto da Carreira do Pessoal Docente do Ensino Superior Politécnico, ECPDESP) and the IPC Tender Regulation of Contracting of Teachers (Regulamento de Concursos para Contratação de Professores do IPC, RCCPIPC), approved by Order No 9208/2010, published in the Official Gazette, 2nd series, No 104, of 28/05, it is hereby made public, by my Order of 29/06/2020 by the powers invested in me by Order No 7301/2017, published in the Official Gazette, 2nd series, No 158, of 18 August, that the invitation to the tender hereunder has been issued within 30 business days from the publication of this public notice in the Official Gazette: international competition based on qualifications for the recruitment of two position(s) of Assistant teacher for the scientific area of Engineering and Industrial Management, of the Coimbra Institute of Engineering, aiming at a public employment legal relationship, celebrated as an employment contract of indefinite duration in public functions, provided for in the teaching staff statement of IPC.

This tender is a competition based on qualifications and is regulated by the provisions of the IPC Tender Regulation of Contracting of Teachers (RCCPIPC), approved by Order No 9208/2010, published in the Official Gazette, 2nd series, No 104, of 28/05, as well as by the Statute of the Teaching Staff Career of the Polytechnic Higher Education (ECPDESP).

1 – Workplace: Coimbra Institute of Engineering of Polytechnic of Coimbra

2 – Functions and remuneration: The generic functions of polytechnic higher education teachers provided for in Article 2(A) of the ECPDESP, with the rank functions set out in Article 3(4) of the ECPDESP. The rank of Adjunct Professor corresponds to the remuneration provided for in the table attached to Executive Order No 408/89, of 18 November, as amended.

3 – Period of validity of the tender: The tender shall be valid for the position put for tender, and shall cease with the occupation of the position(s) set out in the publication or when the same cannot be fully occupied, due to the absence or insufficient number of applicants, as well as in the cases referred to in Article 31(2) of the RCCPIPC.

4 – Admission requirements:

4.1 – General requirements: To meet, until the expiry of the deadline for the submission of applications, the admission requirements provided for in Article 17(1) of the General Law of Employment in Public Functions (Lei Geral do Trabalho em Funções Públicas, LTFP), namely:

- (a) Portuguese nationality, when not exempted by the Constitution, by international convention or special law;
- (b) 18 years old;
- (c) No disqualification from the practice of public functions or no prohibition of the practice of those which the applicant proposes to perform;
- (d) Physical strength and psychic profile indispensable for the performance of the relevant duties;
- (e) Compliance with mandatory vaccination laws.

4.2 – Special requirements: To hold, until the end of the deadline set for the submission of applications, the degree of doctor or the title of specialist, in the area of or similar area in which the tender is open. Applicants with foreign qualifications shall prove the recognition of the doctoral degree in accordance with the applicable legislation.

5 – Method, deadline and language of the application: The application is submitted on paper, by registered post with acknowledgment of receipt to the address of the Polytechnic Institute of Coimbra (Instituto Politécnico de Coimbra, Rua da Misericórdia, Lagar dos Cortiços - S. Martinho do Bispo, 3045-093 Coimbra) or delivered personally at that address — from 9 a.m. to 5 p.m., until the expiry of the deadline, and the documents of the application shall be submitted in Portuguese or English.

6 – Submission of Application:

6.1 – The application shall be submitted upon request for admission to the tender, addressed to the President of the Polytechnic Institute of Coimbra, containing: full name, date and place of birth, identity card/citizen card, number or foreign civil identification document (EU)/passport, residence, telephone number, e-mail address, reference to the relevant tender, with an express indication of the public notice and reference to *the Official Gazette* in which it was published, as well as a list of the documents accompanying the request.

6.2 – The application submission, which may otherwise be rejected, must be accompanied by the following documents:

- a) A paper copy of the detailed, dated and signed curriculum vitae;
- b) Sworn statement declaring compliance with the requirements for the establishment of a public employment relationship as set out in point 4.1;
- c) Sworn statement declaring that all information and documentation included in the application is authentic, without prejudice to the actual proof, when requested;
- d) To provide a pdf scanned copy in digital form of the request, the curriculum vitae, the qualification certificates, as well as all the works mentioned in the curriculum vitae, except where

- the applicant justifies the unfeasibility of the digital copy, in which case they must deliver six (6) copies in the most appropriate physical format;
- e) To deliver, in digital support, a Scientific-Pedagogical Project: a document that allows to support a future mission letter, which should include a proposal of the activities the candidate aims to develop during the first five years of their activity as Adjunct Professor, explaining how will be able to contribute to the progress and development of the disciplinary area for which the tender is opened, in the scientific, pedagogical and cooperation aspects with the society;
 - f) If any of the works mentioned in the Curriculum Vitae contains a classified document which reveals a commercial or industrial secret, or secrecy concerning literary, artistic or scientific property, when formalising the application the applicant shall expressly indicate such a reservation, otherwise, the work in question will be freely accessible by any of the other applicants in the course of the process consultation procedure.
 - g) The tender applicants who are performing duties under contract of employment in public functions at the Polytechnic Institute of Coimbra are exempted from the delivery of the qualification certificates and must request the exemption in view of the fact that these documents are already in their personal file.

6.3 – *The curriculum vitae* shall contain:

- (a) Preamble containing the academic degrees and corresponding grade, professional category and, where applicable, the position currently held;
- (b) Detailed and contextualised description of the curricular elements, organised in accordance with the structure of the selection criteria and methods as indicated in point 8.2, in order to allow a better assessment of the data presented;

6.4 – Failure to submit the supporting documents for the curriculum presented by the applicant implies not to validate the elements that should be proven, unless the jury chooses to use the option provided for in Article 27 of the RCCPIP.

6.5 - Applications that are not properly submitted or that do not fulfil the formal criteria for admission to the tender shall not be admitted in accordance with the terms laid down in the current legislation and in this public notice. The submission of any required documentation beyond the expiry of the relevant period also determines the rejection of the admission to the tender.

6.6 – No applications submitted by email shall be accepted.

7– Public hearings:

7.1 - If the jury considers it necessary to promote public hearings focusing on the curriculum vitae of the applicants, they shall be held between 23/11/2020 and 27/11/2020.

7.2 - If the date of the Public Hearing entered in the previous paragraph cannot be fulfilled, the new date will be disclosed on the institutional site of the Polytechnic Institute of Coimbra, confirming it and indicating the list of applicants subject to the public hearing.

8 – Criteria, method of evaluation, methodology of classification and ranking of applicants:

8.1 – The assessment of the applications shall be performed in accordance with Article 25 of the RCCPIPC;

8.2. The weighting to be assigned to the evaluation parameters and the selection and ranking criteria are as follows:

A) Pedagogical Dimension in the areas of the tender's disciplinary sectors – 20%

8.2.1 - Teaching activity - 70%

8.2.2 - Resource production and pedagogical management - 30%

B) Technical and Scientific Dimension in the areas of the disciplinary sectors of the tender - 50%

8.3.1 - Scientific Publications - 35%
