CA3. Professional experience, preferably in the project areas (20%)

CA4. Additional academic/professional training (10%)

CA5. Cover/motivation letter (10%)

- The following criteria will be considered in the Interview (E):

E1. Verbal and non-verbal communication skills in Portuguese and English (15%)

E2. Ability to demonstrate knowledge acquired in the requested role (15%)

Composition of the Jury:

The jury responsible for the selection process will be made up of the PhD Professors:

President: Andreia Filipa Antunes Moura, Associate Professor at the School of Education of the Polytechnic Institute of Coimbra

Permanent members:

Maria do Rosário Campos Mira, Associate Professor at the School of Education of the Polytechnic Institute of Coimbra

Sónia Cristina de Jesus Chelinho, Senior Technician of the Applied Research Institute of the Polytechnic Institute of Coimbra

Joana Margarida de Sousa Pereira Ramos, Senior Technician of the Applied Research Institute of the Polytechnic Institute of Coimbra

Alternate members:

Ana Cristina Araújo Veloso, Vice President of the Polytechnic Institute of Coimbra

Isabel Maria Mendes Pedrosa, Coordinating Professor at the Coimbra Business School of the Polytechnic Institute of Coimbra

Applications must include the following documents:

Candidates must access and register on the website <https://www.ipc.pt/sobre/rh/a-decorrer-bolseiros/> to submit their application, selecting the scholarship they wish to apply for.

The application must be submitted exclusively in digital format, in portable document format (pdf), with the exception of documents that must be submitted in other digital formats.

The application must be completed by completing the sections available at the aforementioned electronic address.

When submitting an application, if the application contains a classified document that reveals a commercial or industrial secret, or a secret relating to literary, artistic or scientific property, the candidate must expressly indicate such a reservation, otherwise the work in question may be freely accessed by any of the other candidates, in the context of the process consultation.

When submitting the application, the candidate must provide the data strictly necessary for this purpose, in accordance with this notice, and must hide any personal data that may exist in the submitted documentation, otherwise this data may be freely accessed by any of the other candidates, in the context of the process consultation.

Applications must include the following documents:

The application must be accompanied by the following documents:

1. Application form available on the internet page for this competition at https://www.ipc.pt/bupc/concursos/form/concursos_bolseiros
2. Identification, address, identification document number, and tax identification number;
3. Cover letter;
4. Updated curriculum vitae (CV);
5. Proof of required academic qualifications;
6. Proof of enrollment in a non-degree-granting course.
7. Other documents relevant to the evaluation.

Deadline for receipt of applications:

It will be 10 business days, **between 02/06/2026 and 17/06/2026.**

Applicable legislation and regulations:

The award of the scholarship is based on the:

- Law No. 40/2004, of August 18, in its current wording (Statute of the Scientific Research Fellow);
- Order No. 5963/2020, of June 1, in its current wording (Regulation of the Research Fellow of the Polytechnic Institute of Coimbra)

The model of the grant contract and the final reports to be prepared by the grant holder and the coordinators are those contained in the annexes of the Scientific Research Grant Holder Statute referred to above.

Means of publication/notification of results:

The results of the evaluation will be disclosed within 6 working days from the deadline for submission of applications, by sending communication to the candidates, via email. After the results are announced, candidates will be notified to make, if they wish, their statements at a prior hearing within a maximum period of 10 working days after that date. After this period, the selected candidates will have to declare, in writing, their acceptance and communicate the date of the effective start of the fellowship. Unless there is a valid justification, failure to make a declaration within the aforementioned period is equivalent to a waiver of the grant. In the event of resignation or withdrawal of the selected candidate, the candidate with the highest ranking will be notified.
