Universidade Politécnica de Coimbra

PRPD/4/2026
Public Notice

Under the Polytechnic Higher Education Teaching Career Statute (Estatuto da Carreira do Pessoal Docente do Ensino Superior Politécnico, ECPDESP) and the Regulation on the Recruitment of Professors of the Polytechnic University of Coimbra (Regulamento de Concursos para Contratação de Professores da Universidade Politécnica de Coimbra, RCCP), approved by Order no. 9208/2010, of 28 May 2010, it is hereby made public that, following my executive order issued on 25 July 2026, under delegated authority pursuant to paragraph 1.2(a) of Order No. 8669/2025, of 25 July, a competition based on qualifications is open, for a period of thirty working days from the date of publication of this notice in the Diário da República, for the recruitment of two positions of Assistant Professor (Professor Adjunto), to be filled through a public service employment contract of indefinite duration, in the sector of disciplinary areas of Quantitative Methods and Management Information Systems – field of Management Information Systems.

This competition is based on qualifications and is regulated by the provisions of the Regulation on the Recruitment of Professors of the Polytechnic University of Coimbra, and the Polytechnic Higher Education Teaching Career Statute.

1 – Competition reference: PRPD/4/2026.

2 – Workplace: Coimbra Business School (Instituto Superior de Contabilidade e Administração de Coimbra).

3 – Functional duties and remuneration position:

The generic functional duties assigned to teaching staff in polytechnic higher education, as established in Article 2-A of the ECPDESP, together with the specific functional duties pertaining to the category of Assistant Professor (Professor Adjunto) set out in paragraph 4 of Article 3 of the same statute. The category of Assistant Professor corresponds to the remuneration position established in the salary table provided for in Decree-Law No. 408/89, of 18 November, in its current wording.

4 – Period of validity of the competition:

The competition is valid exclusively for the positions advertised and shall cease upon the filling of the corresponding posts identified in the public notice, or when such posts cannot be fully filled due to the absence of candidates or an insufficient number thereof, as well as in the situations provided for in paragraph 2 of Article 31 of the RCCP

5 – Admission requirements:

5.1 – General requirements: Candidates must meet, on the closing date for applications, all the general requirements stablished in paragraph 1 of Article 17 of the General Law on Employment in Public Functions (LTFP), namely:

a) Be at least 18 years old;

b) Not be inhibited to holding a job in the public sector, nor forbidden to perform the intended position;

c) Be in good health and possess the psychological profile required for the job;

d) Meet the compulsory vaccination requirements.

5.2 – Candidates must master spoken and written Portuguese at a level that enables the performance of teaching duties without any limitations in communication in this language.

5.3 – Specific requirements: Hold, on the closing date for applications, a doctoral degree or the title of specialist obtained in accordance with Decree-Law No. 206/2009, of 31 August, in its current wording, in the field for which the competition is open or in a related field. For this purpose, specialist title in the CNAEF 481 area – Computer Science shall be considered, and the fields of Information and Communication Technologies or in Computer Engineering shall be deemed related fields of the doctoral degree of the competition, provided that the doctoral thesis falls within the field of the competition.

Candidates holding foreign qualifications must prove the recognition of the doctoral degree, under the terms of the applicable legislation, by the end of the deadline for submitting the application.

6 – Submission of the application:

6.1 – Candidates must access and register on the following website:

https://www.ipc.pt/bupc/concursos/form/concursos_docentes

and submit their applications, selecting the specific recruitment procedure to which they intend to apply.

The submission of the application shall be carried out exclusively in digital format, in portable document format (PDF), except for documents whose submission is expressly required in other digital formats.

The completion of the application is carried out by filling in the sections made available on the website referred to above.

Upon formalisation of the application, where it contains any document classified as disclosing commercial or industrial secrecy, or secrecy pertaining to literary, artistic, or scientific property, the candidate shall expressly indicate such reservation. The absence of an express indication of confidentiality shall entail the document being made available, without restriction, to any of the remaining candidates in the context of procedural file consultation.

6.2 – Mandatory documents:

a) Admission request addressed to the Rector of the Polytechnic University of Coimbra, containing the following elements: the candidate's full name; date and place of birth; identification number of the identity card/citizen card or foreign civil identification document (EU)/passport; residence; telephone number; electronic address; express indication of the recruitment procedure to which the candidate applies, including reference to the notice and mention of the Diário da República in

which it was published; the reference of the competition as set out in point 1 of this notice; as well as a complete list of all documents submitted with the application.

b) Detailed, dated and signed curriculum vitae;

c) Application form specifically created for this competition (available at https://www.ipc.pt/ipc/sobre/rh/a-decorrer-pessoal-docente), duly completed, which must be submitted in both Excel format (.xls or .xlsx) and PDF;

d) Sworn statement declaring that the candidate meets all the conditions mentioned under point 5.1;

e) Sworn statement attesting to the truthfulness and completeness of all information provided, without prejudice to the effective submission of proof whenever requested

f) Copy of qualification certificates;

g) Scientific and pedagogical project in the field of the competition. This project shall clearly articulate the candidate's research areas, as well as their career development plan for the next five years, explicitly presenting the intended research agenda and the links to international scientific networks. The project shall also include a concise presentation of a curricular unit, demonstrating the integration between research and teaching, its added value in relation to contemporary academic and professional contexts, and its implications for the sustainability of organisations and society. The project must not exceed 4,000 words, excluding references. The candidate is free to determine the format and structure of the document. The text must be written in Portuguese or in English;

h) Copy of the works mentioned in the curriculum vitae, in PDF or ZIP format.

6.3 – In submitting their application, candidates shall provide only the data strictly necessary for the purposes of the present notice and shall redact any personal data not relevant to the assessment that may be contained in the supporting documentation. Failure to do so may result in such data being freely accessible to other candidates in the context of consultation of the recruitment procedure file.

6.4 – The curriculum vitae shall include:

a) Preamble indicating the academic degrees obtained and their respective final classification, the professional category, and, where applicable, the position currently held;

b) Detailed and contextualized description of the curricular elements, organised in accordance with the scoring grid, as per Annex 1, to allow a better assessment of the information provided in the form referred to in subparagraph c) of point 6.2 of this notice.

6.5 – All application documents indicated in point 6.2 shall be submitted in Portuguese or English.

6.6 – Failure to submit the supporting documents for the curriculum presented by the candidate results in the non-assessment of the elements that should have been evidenced.

6.7 - In cases where the selection board has doubts regarding the supporting documents submitted by candidates, it may request additional information, as provided for in Article 26 of the RCCP.

6.8 – Applications that are not duly documented or that do not meet the formal admission criteria for the competition, as defined in the applicable legislation and in this notice, shall not be accepted. The submission of any required documentation after the stipulated deadline shall likewise result in non-admission to the competition.

6.9 – Applications submitted by postal mail or by electronic mail shall not be accepted.

7– Public hearings:

7.1 – Should the selection board deem it necessary to hold public hearings concerning the candidates' curriculum vitae, such hearings shall be scheduled at the board's first meeting. The dates of the public hearings shall be published on the institutional website of the Polytechnic University of Coimbra, and candidates shall be duly notified, pursuant to Article 9 of the RCCP.

8 – Criteria, method of evaluation, methodology of classification and ranking of candidates:

8.1 – The assessment of applications shall be carried out in accordance with Article 25 of the RCCP.

8.2 - The weighting to be assigned to the assessment parameters as well as to the selection criteria and ranking criteria is laid down in Annex I of this public notice.

8.3 – The final classification shall be expressed on a 0-to-100-point scale; candidates who obtain a final classification below 50 points shall be deemed not approved; candidates who obtain a final classification equal to or greater than 50 points shall be deemed approved on absolute merit.

8.4 - In the case of a tie, the following tiebreaker criterion shall be applied: the aggregate sum of all items in the evaluation grid, without any weighting factors or maximum caps.

9 – Notification of the applicants:

9.1 - The notification of the applicants is made in accordance with Article 9 of the RCCPIPC;

9.2 - The lists of non-approved candidates, the ranked list of candidates approved in absolute merit, and the act of homologation shall be communicated to the candidates, pursuant to Articles 29 and 30 of the RCCP.

9.3 – The complete recruitment procedure records may be consulted by candidates during regular business hours (from 9 a.m. to 5 p.m.), at the Central Services of the Polytechnic University of Coimbra, located at Rua da Misericórdia, Lagar dos Cortiços – São Martinho do Bispo – 3045-093 Coimbra.

10 – Composition of the selection board:

Chair: Cândida Maria dos Santos Pereira Malça, Rector of the Polytechnic University of Coimbra;

Effective members:

Carlos Manuel Jorge da Costa, Associate professor with Habilitation (Agregação) at the University of Lisboa;

Célia Maria Quitério Ramos, Senior coordinating professor at the University of Algarve;

Fernando Paulo dos Santos Rodrigues Belfo, Coordinating professor at the Polytechnic University of Coimbra;

Isabel Maria Mendes Pedrosa, Coordinating professor at the Polytechnic University of Coimbra;
